Document ID: MSA-2026-001 | Supplier ID: SUP-001 | Effective Date: January 1, 2026 to December 31, 2027

---

1. PARTIES & SCOPE OF MERCHANDISE

This Agreement is executed between Retail Intelligence Operations Inc. ('Buyer') and Apex Global Electronics ('Supplier SUP-001').

Scope: Authorized volume manufacturing and supply of consumer electronics including Wireless Headphones, Smart 4K UHD TVs, Bluetooth Waterproof Speakers, and Smartwatch Trackers.

2. PRICING & MINIMUM ORDER QUANTITIES (MOQ)

Contract unit costs are fixed for the 24-month duration. Minimum Order Quantity (MOQ) is strictly established at 100 units per line item.

Purchase Orders below MOQ require written authorization from the Procurement Director and incur a 5% handling surcharge.

3. DELIVERY LEAD TIMES & PERFORMANCE SLA

Promised standard delivery lead time is thirty (30) business days from confirmed PO issuance to arrival at destination DC.

Orders must achieve a minimum line-item fulfillment fill rate of 95% upon initial delivery dock intake.

4. LATE DELIVERY PENALTIES & LIQUIDATED DAMAGES

Late Delivery Penalty: For unexcused shipment delays exceeding promised lead time, a contractual penalty of **1.5% per calendar day** of total PO value shall be deducted directly from net settlement invoice.

Delays exceeding 14 calendar days grant Buyer the absolute right to cancel open PO balances without cancellation liability.
